

## Cherry Orchard Primary School Science Curriculum Overview

Year Group	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Year 1	Seasonal change	Everyday materials	Seasonal change	Plants	Seasonal change	Animals including humans
Year 2	All living things and their habitats		Uses of everyday materials		Animals including humans	Plants
Year 3	Rocks		Light	Forces and magnets	Animals including humans	Plants
Year 4	Sound		States of matter	Electricity		All living things
Year 5	Earth and Space	Forces	(Forces – it might need two terms to cover the learning expectations)	Properties and changes of materials	All living things	Animals including humans
Year 6	All living things	Evolution and inheritance	Electricity	Light	Animals including humans	

### Possible long term plan for coverage of the Primary Science Programme of Study, 2014

NB There will be elements of some Programmes of Study that will need to be studied not just in one term, but in several terms throughout the year. For example, learning about seasonal changes will need to take place in different terms.

The Working Scientifically strands to be covered over the course of the year alongside the Knowledge ones.
