

Your child can choose an activity to complete each week. They can do it on their own or with an adult or an older sibling.

## Autumn 2 - Superheroes Nursery's Home Learning Activities

If you were a superhero what would your superpower be?

How would you use it?

Tell you adult a story all about it.

Practise writing your name.  
Start with just the first letter, when you have mastered that then move on to the next letter.

Make up your own song about super heroes.

Create a poster to catch a super villian .

It could be one you have read about or you can make one up.

You will need to make your own number line to at least 10. (You go higher than 10, if you wish!)

Play Eye Spy.

Play using initial sounds where you found objects that began with certain sounds.
