Every child can choose an activity to complete each week. They can do it on their own or with an adult or an older sibling. Let me know you have finished an activity by dating the box below. It would be great to see them, bring them in on a Friday or take a photo and upload it to Google Classroom (letters to login will be going home soon). Have fun!

Autumn 1
Reception's Home Learning Activities

Chatterbox!

What do you like? In these chatterboxes you can place a photo, objects, toys, drawings of what you do and love. Find a shoe box or a small box to collect some of your favourite things, all about you. You can take a photo and uplaod it, or even a video talking about it.

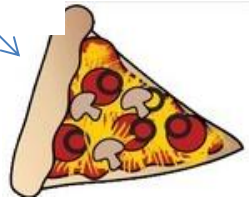
Have fun!

My New Class!

Well done Reception, you have used your new classroom so well. Have a look at the photos of our classroom and playground. Talk about what you have done at school with your family. You can record and upload a video or draw/write some of your ideas!

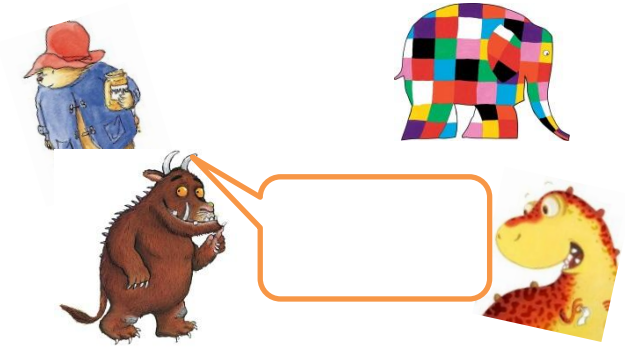
Shape watch! Have a look around your home, what shapes can you find? You can draw them or take photos.

triangle



square

Can you draw your favourite character from a book? What do they say?



Can you talk about your family? Who do you live with? You could try drawing a family tree for yourself or a family in a story.
