

   
My school is closing because of the Corona Virus.

        
I won't go to school on the days that I normally go to school.

          
When school is closed, I won't have my normal lessons with my teachers.

        
Instead I will do things at home with the grown ups.

        
When school is going to open again the grown ups will tell me.

    
It is ok to feel worried about things being different.

      
If I feel worried, I can talk to the grown ups at home.
