Year 3 Autumn 1 Home Learning Grid

Choose one task to complete each week. Your tasks will also be available on Google Classroom so you can choose how to share your learning – either online or by bringing your home learning book in on a **Wednesday**.

You will have a spelling quiz each **Wednesday**, you will have a whole week to learn your new words - try your best to practise every day and remember, have fun with your home learning!

English 1 Write a creative story of your choice! 	**Science** Can you research different rocks in and around your home? Try to identify what types of rocks these might be. 	**Maths 1** Can you make up a rap about a set of times table of your choice to help you remember them? 	**History** Create a poster sharing facts about the Stone Age. English 2 Can you write a recount of your weekend? (Remember to use time connectives.) 	**Design Technology** Can you make a 3d model of a tool that people in the Stone Age would have used? 	**Maths 2** Can you write some word problems involving addition and subtraction? Then ask someone at home to complete them! You can then check if they answered your questions correctly. 	**Free Choice** Is there something you have been wanting to share with your friends at school? Maybe something you have achieved or are proud of - **TELL US!!**
