

Cherry Orchard Newsletter

Tuesday 5th September 2023

Dear Parents/Carers,

We are very excited to welcome our children and families back to school tomorrow. Please ensure children bring a water bottle to school and have their sun cream on- it's looking like a hot week ahead!

School Gates

From tomorrow, parents are welcome to bring their child into the main playground for drop-off and collection. If there are any sensitive messages you would like to share with school staff please wait until your child is in their classroom. We ask that you leave the playground at 8.55am so that our school day can begin. Please be mindful of our neighbouring residents when parking your cars.

Allergy Awareness

Our school kitchen is egg and nut free- this is due to children in the school having severe, life-threatening allergies. We kindly ask that children wash their hands in the morning before coming into school. We also have a sink in the playground where children will be encouraged to wash their hands before and after lunch.

If your child has packed lunch, please ensure that all items are nut free including chocolate spreads. In light of these allergies, please do not send in food items for your child's birthday.

Friends of Cherry Orchard Primary School

Our parent group raised a significant amount of money last academic year and afforded our pupils' opportunities that they otherwise may not have had. In order for this great work to continue this year, we need new recruits and more support. Please watch out for information regarding the next meeting.

Uniform and PE Kit

Children should return to school in their full school uniform and dark coloured shoes/trainers. On PE days (please see the burgundy box on the right) children should wear their Cherry Orchard t-shirt and dark-coloured bottoms. Please do not send your child into school in football kits or clothes of their own choice.

Cooper's puppy items for sale

Cooper has outgrown his puppy items so we have the following items for sale: sturdy travel crate, home crate, puppy food and water bowl. Please see Mrs List if you are interested in purchasing these items.

As always - thank you for your continued support and we look forward to seeing you tomorrow,

Mrs Hassan and Mrs McEnroe
Head of School and Deputy Head

Please keep up-to-date with current news direct from your child's classroom by following us on Twitter:
